PROFESSIONAL EXPERIENCE

Nuvama Wealth and Investment Limited | Bengaluru, India — Nov 2022 - Apr 2024
Junior Associate — Investment Analysis & Client Advisory

- Analysed companies across sectors through review of business models, competitive positioning, financial performance, and key risks to support internal investment recommendations.
- Built and maintained 30+ Excel models used for valuation, scenario analysis, and performance comparison across companies and opportunities.
- Prepared 40+ investment notes and presentations combining company fundamentals, market context, financial analysis, and recommendation rationale for senior stakeholders.
- Conducted benchmarking and comparative analysis to assess relative positioning, performance drivers, and red flags across peers.
- Developed 50+ sensitivity and scenario analyses to test earnings, growth, and market assumptions and improve decision quality.
- Coordinated with internal stakeholders on data collection, input validation, and deliverable preparation across multiple concurrent workstreams.

Prabhudas Lilladher Pvt Ltd | Bengaluru, India — Jun 2021 - Sep 2021
Finance Analyst Intern

- Supported sector and company research through review of public financial information, peer benchmarking, and market analysis.
- Contributed to valuation and analytical work by updating Excel templates, tracking assumptions, and structuring data for easier review.
- Produced concise research notes summarising industry developments, competitive positioning, and company-level implications for senior team members.
- Helped improve consistency of analytical outputs by standardising comparable company and assumption-tracking formats.

Padmashri Jewelers Pvt Ltd | Bengaluru, India — Apr 2017 - Sep 2023
Marketing & Strategy Analyst (Part-Time, Family Business)

- Built KPI tracking templates to monitor sales, margins, and operating trends, improving visibility on business performance.
- Analysed revenue and cost drivers to support management planning and commercial decision-making.
- Evaluated **3 partnership opportunities** using financial and strategic criteria, highlighting risks, upside, and fit.

LEADERSHIP & ACTIVITIES

Finance Portfolio / Equity Research Project | ***Public portfolio and valuation model*** — Sep 2024 -Present

- Built a public finance portfolio featuring a Ferragamo equity research report and downloadable Excel valuation model covering FCFF, DCF, EV/EBITDA and P/E comparables, capital structure, and forecasts to FY2030E.
- Built a 5-module M&A deal sourcing engine (Python / Streamlit) — 29 SPF 120 companies, 8-pillar scoring, ACF financing, acquirer benchmarking, and export — live demo: aryan-kothari-ma-deal-sourcing.streamlit.app

SKEMA Finance Club | Paris, France – Member — Sep 2024 -Present
Completed 7+ M&A/LBO case workshops involving target assessment, transaction logic, valuation, leverage considerations, and investment recommendation structuring.
